

COOKIES NOTICE

This cookie notice became effective on: 08.07.2020

This cookie notice sets out how CALYPSO PAY LTD (hereinafter “CALYPSO PAY LTD”, “we”, “us”, or “our”) is using cookies and similar technologies to recognise you when you visit our website <https://gate.express>. It explains how and when we use cookies, please read through it carefully.

From time to time, we may update this cookie notice and new version will be published on our website. The new cookie notice will be effective as from the publishing date so you should periodically visit this page in order to check whether any changes took place.

What are cookies?

A cookie is a small file which asks permission to be placed on user’s device’s hard drive. Once you agree, the file is added and the cookie helps analyse web traffic or allows us to know when you are visiting a particular page. Cookies allow web applications to respond to users as an individual. The web application can tailor its operations to your needs, likes, and dislikes by gathering and remembering information about your preferences.

Why we use cookies?

We use traffic log cookies to identify which pages are being used. This helps us to analyse information about web page traffic and improve our website in order to tailor it to your needs. We only use this information for statistical analysis purposes and then the information is removed from the system.

Overall, cookies help us to provide you with a better website, by enabling us to monitor which pages you find useful and which non-useful. A cookie in no way gives us access to your computer or any information about you, other than the information you choose to share with us.

What cookies do we use?

Name of the cookie	Type of the cookie	Time when cookie expires	Purpose of the cookie
__cfduid	Necessary	1 month since acceptance	Security

How you can control cookies?

When visiting our website for the first time you will see a notice requesting you to either “Accept all” cookies, or to choose which cookies you want to decline by clicking on “Preferences” where you will have a possibility to choose which type of cookies you wish to accept and which you do not. After you confirm the types of cookies that you accept you need to close the window and click on the “Accept” button. Your browser will save the settings and cookie notice won’t appear for quite some time when you will be returning to the website.

In addition to this, different browsers provide different methods to block and delete cookies used by websites. You can change the settings of your browser to block/delete the cookies. To find out more about how to manage and delete cookies visit wikipedia.org, www.allaboutcookies.org.
